Property Owners Name _____ Phone Number _____ Email _____

Permit Site Address _____, Dakota IL 61018

Description of Proposed Fence _____

Contractor Name _____ Phone Number _____ Email _____

Contractor Address _____

A drawing, site plan or plat map displaying property boundaries, the location of the buildings and structures on the property, the proposed location of the fence and the distances from the proposed fence to the existing structures on the property must be provided before approval.

Fences must be two (2) feet from the property line. Installation within two (2) feet from a property line requires a survey to be submitted prior to permit issuance.

No Permits will be granted if any outstanding balance is owed to the Village or any ordinance violation is pending.

*

If any part of a permit required project is started prior to permit approval a \$200.00 fine will be assessed

The property owner is responsible for the project site to be marked by J.U.L.I.E. (800/892-0123) before digging holes for installation.
